November 26th 2014: Healthcare Meets Hospitality

Complete with flat screen TVs in every room, room service, a grand piano in the foyer, elegant architecture and amenities for the whole family during your stay, hospitals are beginning to look more and more like upscale hotels. Healthcare should continually strive to improve the patient experience and remove the sterile, sickly environment that has long been associated with hospitals. Should Healthcare CIOs consider looking to the innovations in the Hospitality industry, where technology and data has been utilized to predict the needs of guests and provide a completely integrated experience th
