December 9th 2014: Family Caregivers Surviving Alzheimer's Disease

Paula Spencer Scott is the author of 'Surviving Alzheimer's: Practical tips and soul-saving wisdom for caregivers' (2014).

<http://www.survivingalzheimersbook.com/>

She talks about her life, career, and experience of family caregiving for close family members living with Alzheimer's disease. She describes her book and says who she wrote it for and why she wrote it. She discusses the challenges of Alzheimer's disease for those who live with it, their family caregivers, and the quality of life of families as a whole. She highlights common-sense and supportive advice for fami
