Child Psych Central Archives Available December 11th 2014: Meet Dr. Onufrak

In this debut episode, Dr. Onufrak introduces herself and this new show. She discusses her academic background and journey into private practice. Dr. Onufrak explains her specialization in the preschool and primary years and why this age group captivates her heart and clinical interest like no other.

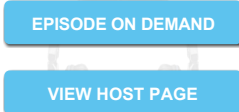

She describes her current clinical private practice, the range of presenting problems, and her "radio show" play therapy technique that helps young children open up. Dr. Onufrak outlines key clinical philosophies which inspire and shape the show, gleaned from more than 20 years as a
