January 02nd 2015: Special Encore Presentation: Demographics Affect on Financial Markets

Straight Talk, Clear Decisions will welcome Rodney Johnson, President of HS Dent and Senior Editor of Dent Research, as a guest host December 12, 2014 broadcasted live at 10AM EST on Voice America Radio. Hosts Rik Saylor, Eric Hamberg and Johnson will discuss how best to follow the cyclical nature of the financial markets to help listeners protect and accumulate wealth. Since 1998, 23 major macro-trend predictions and 18 have been correct. Bullish, bearish and the seesaw market trends are distinctly apart of the demographic forecast. The wealth management team and special guest Johnson will

Johnson works closely with Harry Dent to study how people spend their money as they go through predictable stages of life, how that spending drives our economy and how you can use this information to invest successfully in any market. Johnson began his career in financial services on Wall Street in the 1980s with Thomson McKinnon and then Prudential Securities. He started working on projects with Harry in the mid-1990s. He's a regular guest on several radio programs such as America's Wealth Management, Savvy Investor Radio, and has been featured on CNBC, Fox News and Fox Business's "America's Nightly Scorecard, where he discusses economic trends ranging from the price of oil to the dire
