EMPOWERMENT

VOICEAMERICA

Today's Inspiring Women Archives Available January 15th 2015: Limitless Potential

No Excuses Allowed. Patricia Walsh, our first guest became partially blind at the age of five and was totally blind by the age of 14. She has degrees in electrical engineering and computer science. Was an award winning engineer at Microsoft and is a world champion para-triathlete! Her story is one of determination to buck the overwhelming odds stacked against her, especially the naysayers. Walsh overcame challenges every step of the way, and people who confronted her with why reasons why she would not be able to succeed. She shares her amazing story and the three step process on how anyone can
