January 27th 2015: The International Association for Family Caregiving for Serious Mental Illnesses

Dr Ethelle Lord is the Founding President of the International Caregivers Association, www.icareassoc.com. She holds a Master's of Education in Counseling and a Doctorate of Management in Organizational Leadership. She talks about her life, career, and her experience of family caregiving for her husband. She explains the work of the Association. She discusses the challenges to family caregivers and their family members living with brain dysfunctions due to dementia, and says which of these are least well understood by health care professionals and systems. She explains how the Association is a
