February 05th 2015: Sizzling Entrepreneurs Share Success Secrets

Have you ever had a pizza delivered? Today our first guest is the inventor of the thermal bag developed originally for the square pizza boxes. Our two guests today address the key to successful leadership. Entrepreneurs are good leaders. Whether you have 3 employees or 1,000. Successful entrepreneurs know how to lead, and help employees see and embrace the vision. Our first guest is Ingrid Kosar the inventor of the pizza box thermal bag. Her bag appears on USA doorsteps millions of times a week for family movie nights, college study times and moms night off from cooking. Ingrid has run a very
