**February 03rd 2015: How Do Terrorist Victims Live to Tell the Tale?**

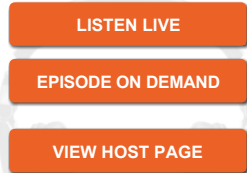

You read the headlines and watch the news of terrorist attacks around the world. But, the story usually ends there. We rarely find out what becomes of the terrorist victims who are injured, but live to tell the tale? Who puts the broken ones back together and how? Today's guests have the answers. Speaking to us from Israel is Professor Zeev Rotstein, M.D., the CEO and General Director of Sheba Medical Center, and from Beverly Hills is Parham Zar, the President of Friends of Sheba Medical Center. Sheba provides leading edge treatment for many medical conditions, and it is especially renowned fo
