February 17th 2015: Methadone Clinics and Caring for Persons with Addictions

Bill Brown's current focus is methadone maintenance treatment. A registered pharmacist, he holds the BSc in Pharmacy. He talks about his life and career. He explains what methadone is, how it's used to help individuals with addictions, and his work with methadone clinics. He says which of many challenges that addictions create are most challenging for individuals, healthcare services, and methadone clinics. He explains how methadone clinics address the most challenging of the challenges for individuals, healthcare services and methadone clinics. He says what more he would like to do through hi
