**February 12th 2015: Entrepreneurial Success**

Thinking of starting your own business? Today we have two very successful entrepreneurs that will share their success tips for success. Our first Guest is Nancy Butler, who at the age of 31 was in the middle of a divorce with no support, or source of income and only \$2,000 to her name. So, she started her own business. When her business hit \$200 million in assets under management she sold her practice. Our second guest is Tina Karakourtis, who has been recognized by The Guild of Master Craftsman, in London England as a Master Corsetiere. She calls herself the "self made entrepreneur." Both wo

**Nancy D. Butler**

At age 31, while in the process of a divorce with no child support, alimony or other source of income and only \$2,000 to her name, Nancy started her own business. She was offered a salaried position at a higher pay than she ever had before but realized they were hiring her at the top of the ladder, leaving her no place to grow.
