February 18th 2015: Where the Dead Pause and the Japanese Say Goodbye

When Marie Mutsuki lost her American father and Japanese grandparents, she feared she would never find her happiness again. Motivated by a deep desire to have some joy to share with her young son, she travelled to Japan, the land her mother came from, to find answers. Unable to fulfill her mission to bury her grandfather's ashes because of the radiation from the Fukushima Daiichi nuclear reactor, she discovered that many of the people she met had a very different relationship to loss and to grief than she knew. Through her open, deep exploration of the beliefs surrounding her in Japan, her own

Marie Mutsuki Mockett

Marie Mutsuki Mockett was born to an American father and Japanese mother. Her memoir, "Where the Dead Pause, and the Japanese Say Goodbye," examines grief against the backdrop of the 2011 Great East Earthquake in Japan and was a finalist for the 2016 PEN Open Book Award, Indies Choice Best Book for Nonfiction and the Northern California Book Award for Creative Nonfiction. Her new work, American Harvest: God, Country and Farming in the Heartland, from Graywolf, follows her journey through seven heartland states in the company of evangelical Christian harvesters, and examines role of GMOs, God, agriculture, and race in society. With exquisite lyricism and humanity, this astonishing book attempt
