**February 24th 2015:Chiropractic Care...It's Much More than Physical Manipulation**

Chiropractic Care...It's Much More than Physical Manipulation features licensed and board certified Chiropractor Dr. Nico Rocco. Dr. Nico will explain the extent of his education and training and how chiropractors work in harmony with the body to help it regain a state of vigor that allows it to adapt to daily stresses. He will then describe the different techniques that chiropractors use to remove nerve interferences along the spinal column, and the benefits his patients experience when these interferences are removed. Dr. Nico will expand on his preferred method which is called the Torque Re
