March 04th 2015: Getting What You Want

Isn't that what we all want—to get what we want? And if I told you today that all you would have to do to get what you want is to do A, B and C, you'd probably do it, right? Well, that's what's been happening—with all kinds of strategies, from commercials for toothpaste to marriage proposals, people are always promising to give us what we want. There are two primary problems with this: 1) most of us don't know what we really want; and 2) there is no bargain with the universe which will absolutely guarantee that after we have done A, B and C we will definitely have what we want. These prom
