**March 19th 2015:EMERGENCE: The Radical Process for
Achieving Anything—Regardless of Conditions**

When the basic principle of life—the Law of Emergence—is disrupted, we are prevented from knowing the truth at the core of our being: that we are not broken but already whole. Like a perfect acorn becomes a perfect oak tree, there isn't a single part of us from beginning to end that isn't already exactly what we should be. By reintroducing ancient truths that have largely been lost to time, Emergence changes the conversation around how to achieve our potential by showing readers how to activate the genius already inside of them and empower their purpose in life. Using the Law of Emergence, spir

Derek Rydall

Derek Rydall, one of a new generation of spiritual visionaries and thought leaders, is the bestselling author of EMERGENCE: Seven Steps for Radical Life Change (Atria/Beyond Words; 2015) which reveals the revolutionary Law of Emergence, showing people how to tap into the pattern of perfection in any area of their life and create the right conditions for it to unfold. In his new book, THE ABUNDANCE PROJECT: 40 Days to More Wealth, Health, Love, and Happiness (Atria/Beyond Words; February 20, 2018), Derek presents a time-tested system for activating the Abundance Principle, which sets you free from the belief that outer conditions determine your life and shows you how to generate everythin
