March 19th 2015: EMERGENCE: The Radical Process for Achieving Anything—Regardless of Conditions

When the basic principle of life—the Law of Emergence—is disrupted, we are prevented from knowing the truth at the core of our being: that we are not broken but already whole. Like a perfect acorn becomes a perfect oak tree, there isn't a single part of us from beginning to end that isn't already exactly what we should be. By reintroducing ancient truths that have largely been lost to time, Emergence changes the conversation around how to achieve our potential by showing readers how to activate the genius already inside of them and empower their purpose in life. Using the Law of Emergence, spir
