March 31st 2015: WIIS (Women In International
Security) Women In International Security)

Women In International Security (WIIS) is the premier organization in the world dedicated to advancing the leadership and professional development of women in the field of international peace and security. WIIS (pronounced "wise") sponsors leadership training, mentoring, and networking programs as well as substantive events focused on current policy problems. WIIS also supports research projects and policy engagement initiatives on critical international security issues, including the nexus between gender and security.
