

Uplift Your Life: Nourishment of the Spirit
Thursday at 8 AM Pacific
April 23rd 2015: Take Charge of Your Health

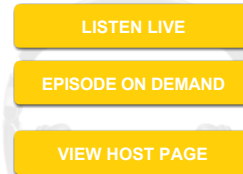

We've been taught to think of doctors as gods. They know our bodies better than we do. If we want to get better, we have to listen to their advice. They know the truth. We have learned to deny our own wisdom and to put ourselves solely in their hands. Sometimes this is the right choice, often it's not. We must change this pattern of ignoring what we know about our own body. We must take charge of our own health and stop denying that nagging feeling that something is wrong. Getting more than one opinion from medical doctors, alternative medicine practitioners and trusted healers and determining
