May 08th 2015: Chronic Viral Infections: Yes, We Now Have Treatments

Today, I have the pleasure of talking with Marty Ross, MD, who has extensive experience working with chronic illness. The role of chronic viral infections in these illnesses has long been discussed, and today we will share what we have learned about how to diagnose and treat them. (Yes, we have a variety of effective treatments now!) Please join us for this important program.

Marty Ross

Marty Ross is an integrative medicine physician from Seattle. In his practice at The Healing Arts Partnership he focuses on treating chronic Lyme disease, Chronic Fatigue Syndrome and Fibromyalgia. He is a writer and educator as well, and publishes The Treat Lyme Book which is a first of its kind online book. He also maintains Treat Lyme and Associated Diseases, a website devoted to education about chronic Lyme disease. Dr. Ross completed his residency in family medicine through Georgetown University after graduating from Indiana University School of Medicine. He is married to Tara Brooke, ND, who is also his practice and business partner.
