**May 20th 2015: The Marriage Map 3 Keys To a Fulfilling Romantic Partnership**

The Marriage Map covers the "Crises Points" that kill marriages. The number of divorced and separated women in the US is on the rise, according to a recent report by Bowling Green State University's National Center for Marriage and Family Research (NCFMR). The report, titled "Marriage: More Than A Century Of Change" and released on Thursday, July 18, found that 15 percent of women in the U.S. are divorced or separated today, compared with less than one percent in 1920. According to Barbara Grossman PhD and Michael Grossman MD, authors of The Marriage Map, "There are 2 major 'Crises Points'
