When you mention an MLM (multi-level marketing company) or network marketing, you get a mixed reaction. Some people cringe, some shrug and some say, "How do I get involved?" Many people have made significant incomes while others have tried a number of companies with no success. We are privileged to have the CEO of a new company, Valentus, talk about how you start a network marketing company, the pros and cons, the products, the compensation systems and why you should or should not become involved. Questions to keep in mind? Is this a safe way to earn money? Are the products worthwhile and affo
