June 03rd 2015: **The Unspoken Truth about Transformational Change**

Jack Welch, former CEO of General Electric, made the following statement while discussing organizational change... "If the speed of change on the outside is greater than the speed of change on the inside, the end is in sight." This edition of the SURVE Hour will help listeners better understand the importance of Jack Welch's statement about organizational change and why organizational, and for that matter, individual change is so difficult. The listeners will learn about why and how organizational leaders end up sabotaging the change they have initiated, the aspects of organizational chan
