#### Barbara Marx Hubbard

"There is no doubt in my mind that Barbara Marx Hubbard – who helped introduce the concept of futurism to society – is the best informed human now alive regarding futurism and the foresights it has produced." –Buckminster Fuller. At her heart, Barbara Marx Hubbard is a visionary and a social innovator. She is an evolutionary thinker who believes that global change happens when we work collectively and selflessly for the greater good. She realizes that the lessons of evolution teach us that problems are evolutionary drivers, and crises precede transformation, giving a new way of seeing and responding to our global situation. She serves as the co-chair of the Board of Trustees of the
