**June 03rd 2015:What You Need To Know About Sealing Flexible Packaging: feat. Stephanie Hwang**

Stephanie Hwang is our go-to expert at Sealer Sales. They have been instrumental in helping our clients find the best heat sealers for our stand up pouches and other types of flexible retail packaging. As many of us in the industry already know, flexible packaging needs to be sealed in order to properly protect the product from the elements. The seal of a pouch is so important because if it doesn't properly protect the contents, taste and freshness could be compromised. This is where Sealer Sales comes into play. Tune-in as Stephanie highlights the different types of heat sealers, explains the
