**June 09th 2015: Is the Islamic State Winning the War on Terror?**

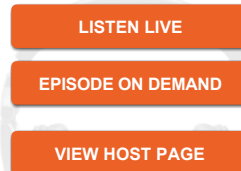

The White House would have us believe that we're winning the war on terror, but are we? Today's guest, John Sutherland, author of iGuerilla - Reshaping the Face of War in the 21st Century, warns us about what is not being revealed in mainstream media. Sutherland coined the term iGuerilla to describe the Jihadists who use the internet and computer technology to their military advantage. He reports that it is not ISIS in Iraq, but what is happening in the American front yard, that may be the greater danger. He explains how our political correctness is being used against us, with terrorists worki
