Family Caregivers Unite! Archives Available

June 16th 2015: What Family Caregivers should know about Pharmacies and Pharmacists

Bill Brown, a registered pharmacist, holds the BSc in Pharmacy. His current focus is methadone maintenance treatment. He talks about his life and career as a pharmacist. He explains the types of pharmacies and the services these provide. He identifies the responsibilities of pharmacists working in the pharmacies. He highlights the most challenging of the challenges that patients, their families and family caregivers encounter in their dealings with pharmacists and pharmacies, including challenges to privacy of personal health information. He discusses the ways in which patients, their families
