June 16th 2015: Mind -ing- Your Business

There is nothing more personal then starting your own business and you can't take it personally. What does it take to step out on your own and put time, effort, money, and energy into your own business? What do you believe in enough to give it a try? And if you have a business already, what does it take to continue to grow and thrive with it? On todays show we are going to discuss the inner journey to express the outer result of creating and growing a successful business. What mental chatter must you overcome? We will also share great tips and suggestions for taking your next BOLD steps
