Guest Image

Cooper Ray

My guest today is a 23 year old native New Yorker, street smart, an ariel photographer and a bike messenger with a passion and devotion to our cities history. Cooper Ray knows the cities architectural history, why buildings were built as they were and I want him to explain to us from his viewpoint tidbits of some of the more famous top architects of our day but most importantly his perspective on the disappearance of old New York and what our skyscape has become.
