Between the Synapse Archives Available July 02nd 2015: The State of Oil

If you ask someone from Texas about the "State of Oil," you need specify whether you're asking about the energy business or Texas' economy. Now while the answers may line up pretty closely, there's much more space between the them than in the past. Fortunately, this week's broadcast of Between the Synapse features a person capable of answering both questions. Former El Paso Corporation chairman, president, and C.E.O. Douglas L. Foshee will break down the energy biz and provide some understanding of these fluctuating gas prices. Don't hesitate to call in with your questions or comments 866-
