July 6th 2015: Modernizing Your Finance

Organization: Metrics and Benchmarking

The buzz: Onward! Take a good look around your finance and accounting offices. Does it feel like your finance team is on the cutting edge of innovation and leading the charge to add strategic value to the business? Or do you see endless piles of paperwork, and hear grumblings about deadlines, information requests and other typical back office headaches? If the latter, it's time to learn how to leverage data, benchmarking and metrics to modernize your finance function. But where and how do you start? The experts speak. Eric Merrill, Deloitte: "All great changes are preceded by chaos" (Deep
