Stories from the Heart of Leadership

Stories from the Heart of Leadership Archives Available July 13th 2015: Bridges

Sometimes all we can do is sit in the space in between one chapter and the next. Reflecting upon what has passed, celebrating, summarizing and just allowing it all to settle...this is what I call the "bridge" that connects one place to another. It requires self-awareness and trust to tolerate crossing this bridge, as there are no prizes or accolades for doing so. Nothing remarkable seems to be happening, yet I trust that this neutral bridge-crossing is very valuable! Join me as I stand on the bridge between what was and what is yet to come. Looking forward to being with you!
