AND DR. RELLY NADLER **NEWS**

### Leadership Development News Monday 9 AM PT

**July 20th 2015: Special Encore Presentation of The Pursuit of Happiness: What It's Doing To Us**

Since the Declaration of Independence, Americans have been free to pursue happiness, but there's no guarantee we'll achieve it, the secret is knowing where to look. Building on this great heritage, experts Nadler and Greenberg share exciting news on the state of the art about "the science of happiness" and how it impacts our emotional and social intelligence. New insights include how we can choose to joyfully respond to such factors as money or consumptive happiness, the genetics of adventure and their long term effects on daring, immigration, creativity and innovation and how our need for "
