July 21st 2015: David vs Goliath: Business Networks and Diversity Suppliers

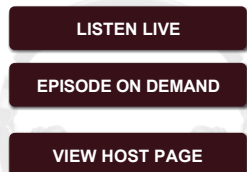

The buzz: David vs. Goliath 2015. By 2020, global trade among connected businesses could total \$65 trillion. But large corporations' current processes can't keep up with the Digital Economy's hyperconnectivity, data deluge and customer expectations. The answer? Business Networks. How? They connect people, systems, and processes to simplify collaborative innovation. What else? They support supplier diversity by connecting corporations with minority- and women-owned businesses for procurement opportunities. The experts speak. Quentin L. McCorvey, Sr., M&R Distribution Services: "God places peo
