## The Self Improvement Show Archives Available July 23rd 2015: MoneyLove

We all think we love money, but frequently what stands in the way of our getting more of it is a whole set of complex negative attitudes—including a subconscious rejection of money—that most of us are never even aware of. The MoneyLove principles presented by Jerry Gillies teach you how to reprogram these unloving feelings about money—feelings that keep you from fulfilling your personal and financial potential. Jerry will talk about how loving money will make it easier for you to accumulate wealth and show you how money is an extension of your personality. Jerry says, "You can be as good a per
