### Featured Guest

#### NV "Tiger" Tyagarajan

Based in New York, Tiger is credited as one of the industry leaders who pioneered a new global business model and transformed a division of GE (formerly GE Capital International Services) into Genpact, a leading business process management and technology services company with \$2.1 billion in annual revenues in 2013. With more than 66,000 employees across 25 countries, Genpact designs, transforms, and runs intelligent business operations including those that are complex and specific to a set of chosen industries. Tiger frequently writes and speaks about global talent issues, continuous skill development, and the importance of building a strong corporate culture. Tiger joined GE Capita
