**August 13th 2015: Finding Comfort in an Uncomfortable World**

How do you find comfort in a world where uncomfortable things happen? Betsy Thompson wrote about how you do it in her book "LoveHuman." She answers questions regarding where you come from, where you are going, and why you are here. Aren't those questions we all struggle with? The message helps us embrace the world as it is and the people around us as they are—and love whatever that is. Not because it's a perfect world, but because as we love and accept life as it is, love and acceptance grow. We will talk about her book and her life and you won't want to miss it
