**August 18th 2015: Special Encore Presentation:  
One-On-One Support for Family Caregiving for  
Schizophrenia**

Sharon Evans graduated as a psychiatric nurse in 1967 and in 2008 completed her Bachelor of Science in Psychiatric Nursing. Irene Friberg has a teaching degree. She and her husband have a daughter diagnosed mid-grade 12 with schizophrenia. Sharon and Irene talk about their experiences with family caregiving for family members living with schizophrenia and about their work with the British Columbia Schizophrenia Society Penticton Branch, <http://ow.ly/HODMb>. They discuss the challenges for family members living with schizophrenia and for their family caregivers. They explain how one-on-one suppo
