11:11 Talk Radio

11:11 Talk Radio Monday at 8 AM Pacific September 21st 2015: **The Polarized Mind: Kirk Schneider**

The polarized mind is the fixation on one point of view to the utter exclusion of competing points of view, is killing us—and has been for millennia. Drawing from the standpoint of existential psychology, this book details the basis for the polarized mind, how it has ravaged leaders and their cultures throughout history (up to and including our own time), and steps we urgently need to take to address the problem. Combining contemporary insights with centuries of cross-cultural, awe-inspired wisdom, Schneider offers solutions to this worldwide problem. kirkjschneider.com
