Featured Guest

Janine Darling

My guest is Janine Darling, Founder & CEO of Stash Datacentric Security, a technology company focused exclusively on data security which is the fastest growing crime in the world. In 2014, over 1 Billion records stolen Cyber theft cost half a trillion dollars and 500,000 jobs, 30,000 companies were hacked every day, 185 Million documented intrusions that have by-passed perimeter security tools, and virus-detectors. STASH is unlike 99.9% of other security offerings, hacks are neutralized, and hackers go away empty-handed, without any useable data sets. No matter what other security options are in use, STASH is the most impactful weapon to have in the data security arsenal.
