September 09th 2015:Healing Across Lifetimes with Regression Hypnosis

Regression Hypnosis can access lost memories, solve haunting questions, and create healing across lifetimes. Join Kerry Jehanne and her guest, hypnotist and EFT specialist Lili Hudson to learn about her favorite experiences guiding clients into past lives, and the world between lifetimes. Do we choose our lives and lessons? Do we incarnate with the same people over and over? How does an injury in a past life show up today? Can you change history from within a regression session? What is it like to be a traveler through the inner world of past lives?

Featured Guest

Lili Hudson

Known for getting results, Lili Hudson, EFT Expert , Hypnotist, and Personal Cheerleader offers a refreshing solution to today's problems. With a background in science and a passion for serving, Lili Hudson searched for solutions to tackle the challenges of weight, sadness, anxiousness, frustration, and anger. Drawing on her experience, Lili has developed several transformative programs including "Be A Better Student" and the breakthrough weight loss and body-confidence program "Slender, Strong and Fit." She considers herself a lifelong student, and is pursuing a Masters' degree, with a concentration in Leadership and Conflict Transformation She is fascinated with how people tick and
