Uplift Your Life: Nourishment of the Spirit Thursday at 8 AM Pacific September 10th 2015: Reincarnation: The Proof and The Gift

When someone we know seems wise beyond their years, we call them an old soul. This is so common that we don't really think about what it means. In fact, in the next sentence we might say that we don't believe in reincarnation. Contradictory beliefs often sit side by side within us until we look deeply at them. Sometimes we have to examine the inexplicable in our own lives before we are able to see the truth. That was the case with me. My earliest memory of such an experience was in Venice as a young college graduate. It was our first day there and my girlfriend and I were lost. We were tired f

Featured Guest

Dr. Dave DiSano

Dr. Dave DiSano is a psychologist and author of *Holistic Mental Health*, Revised 2009. He has degrees in education, counseling and psychology and has a private practice specializing in hypnotherapy. In *Divinely Touched*, co-authored with his wife, Mary, Dr. Dave offers verifiable proof of what Mary experienced in her physical, mental emotional and spiritual healing. He provides scientific research and explanations for phenomenon such as energy healing, ESP, telepathy, clairvoyance, precognition, out-of-body experiences and reincarnation. He connects current theories in quantum physics with historical data and first-hand accounts of Mary's experiences to scientifically prove what had happened
