In this show we will learn how to create and sustain an abundant life! In spite of what the world often looks like to us, abundance is our natural state. We'll learn how to define it for ourselves, what the common blocks to our abundance are, and how to begin to release those blocks. Moira teaches us that we can only experience the goodness of life to the degree that we are able to love ourselves! Listen in and learn how to be good to yourself and take your part in healing not only yourself but the world!
