September 28th 2015: The Leadership Coaching Revolution in Higher Education

The use of leadership coaches has exploded in corporations and other organizations. Eric Schmidt and Bill Gates say "everyone needs a coach," and increasingly in the C-suite, almost everyone has one. And the reasons for this growth are becoming clearer. When individuals are coached, they become more effective with improvements in task & relationship orientation; and coaching is a good investment returning $5-$7 for every $1 spent. In this episode, Big Beacon Radio host (and coach) Dave Goldberg explores the growing usage of coaches in education with three other coaches. Dave is joined by

Featured Guests

Beverly E Jones
Beverly Jones is a master of reinvention. She started out as a writer, next led university programs for women, and then trail-blazed her career as a female Washington lawyer and Fortune 500 energy executive. Throughout her varied work life she has mentored other professionals to grow and thrive. Since 2002, Bev has flourished as an executive coach and leadership consultant, helping professionals of all ages to advance their careers, shift directions, and become more productive.
