November 02nd 2015: *Spiritual Education. When alternative education is no longer sufficient enough*

For some years, society has been subject to major changes. Old structures and methods have been overtaken, and don't work any more. Holistic and alternative schools, and education methods, can only partly meet the needs of the 'Children of the New Age'. Many children feel misunderstood, and react with emotional or physical problems, which can't be dealt with and solved by traditional methods. Classical education and the school system still focus on a child's mental ability. Alternative schools also include the physical and emotional level in their education system. But there is still one a
