**October 22nd 2015: A Life in Pets**

Come and listen to "master storyteller" David Berner share stories of "a life in pets"—from a collie that herds Berner home when, as a two year old, he went "streaking" through the neighborhood to a father crying in front of his son for the only time in his life while burying the family dog on the Fourth of July. And from the ant farm that seems like a great learning experience (until the ants escaped), to the hamster that sets out on its own road trip but only gets as far as the dashboard. The author of the delightful book "There's a Hamster in the Dashboard" will show us how pets not only co
