November 3rd 2015: Providing a Voice Through Advocacy for the Schizophrenia Community

Ryan Clarke, LLB, founded Advocacy Solutions, <http://www.advocacysolutions.ca/>, a business committed to providing a voice to organizations and individuals through the development and implementation of impactful advocacy strategies. He explains his business, what advocacy involves, and what he means by providing a voice through advocacy. He discusses the ways in which providing a voice through advocacy is used, generated and positioned in healthcare and in mental healthcare, and the trends. He identifies the challenges associated with providing a voice through advocacy when such voices are used
