November 12th 2015: Balancing the Feminine and the Masculine Within

Balancing the Feminine and the Masculine within is the message I got this week as I realize (not for the first time!) that there is a gentler, more caring way to do things and to approach people.

This is in sharp contrast to the messages I receive from my ego, which are about 'intransigence' at this moment.

I am curious to know what will happen in the next few days, especially as we pass the 11.11 mark.

Will anything open, within and without?

Please join me one day into this portal. Who knows what will have happened?

Love & much Light
