**December 04th 2015: Mighty Gems Sparkling Adventure Outside Your Comfort Zone**

"We cannot become what we want to be by remaining what we are. We can only change our life, if we are brave enough to be out of our comfort zone. Because the first step to change in your circumstances is a change from within you." ~ Lou Macabasco

People are drawn to movies, shows and entertainment that evoke strong reaction. It may be that the attraction depends on people feeling a sense of lack in their own lives, like they are missing something or need excitement. They want to raise their adrenaline and stress response for a limited time to feel more alive – and then return to their
