Dr. Gary Bell's Absurd Psychology
Friday at 1 PM Pacific
December 11th 2015:Co-Parenting Made Easy

Divorce is in the majority with over 56% of the humans in the free world. Children are the true victims of their parent's choices. Many of their parents have never been married. Family courts are flooded with cases as angry bitter parents are left to divide up their children's time with the most evil person in the world (the one they chose to breed with). This show is about knocking down those walls and getting to constructive attorney free communication and compromise with your children's other parent. We will get to the heart of it. In the end, I will do my best to give you the tools to work
