December 11th 2015: Encore: The Science of Building a Great Company

For the last 60 years the greatest business minds have been theorizing, codifying, and perfecting a body of knowledge used by the largest, and most successful organizations to innovate and grow. It is the ultimate "secret" of success! This success comes from applying a systematic approach that is so powerful and effective that the United States government created a program to encourage its adoption. Now you can apply these same methods in your businesses. Join us to learn about this step-by-step approach. You will learn practical steps you can begin implementing immediately to help transform y
