December 18th 2015: Shifting Your Paradigm With Access Consciousness

We are vibrational beings living in a vibrational universe. Quantum physics would have us understand that we are part of that energy field and that we are all connected through Quantum Entanglement. When you boil it all down, it means energy. This lively episode is a discussion with Dr. Fannin's guests, Gary Douglas and Dr. Dain Heer how Access Consciousness can help us unlock blocked energy patterns in our own life. Also discussed is how you can let go of the things that have been holding you back from achieving your hopes, dreams and desires. As founders of Access Consciousness they have 20+

Featured Guests

Gary Douglas

Founder of Access Consciousness, best-selling author, international speaker, and a sought-after facilitator, Gary Douglas is known for his intensity of awareness and his incredible capacity to facilitate people to 'know what they know'. He chooses to embody consciousness in everything that he does which inspires others to choose to become more conscious as a result. Gary has become an internationally recognized thought leader in transforming lives and creating different choices – willing to empower people to see different possibilities and to recognize what is truly possible for them. Gary is acknowledged worldwide for his unique perspectives on personal transformation that is unlike anyth

Dr. Dain Heer

An energy transformation virtuoso, author, international speaker and workshop facilitator, Dr. Dain Heer is best known for his unique energetic transformation process, called The Energetic Synthesis of Being (ESB). Dain Heer is an internationally renowned author, speaker and facilitator of consciousness and change. For over 15 years, he has been inviting people to embrace their true greatness —people from every culture, country, age and social strata of society. Originally trained as a chiropractor, he has a completely different approach to healing by facilitating people to tap into and recognise their own abilities and knowing. In his talks and workshops, he uses a unique set of to
